Philippa's five years' experience of organising activities for Puffin Club parties and Puffin Colony holidays gives this book an unchallenged credibility. It comes through in the sensible tips, sound advice and clear explanations for organisers. It's especially good for those landed with large numbers to occupy indoors and out. What also comes across is the sheer fun and enjoyment of it all. Should inspire even the most reluctant party-giver to give it a try. Two books for kids going it alone these holidays.
