The hero is one of those quirky individuals who'll fit in well to the gallery of animals five to nines know in their reading. He's the slightly eccentric, upper-crust 'gent' who does not quite fit in to conventional expectations of a farm pig. Lively bunch of characters, including Barnabus the Bull. Mistress Tabbicoat and Gregorious Goat. The writer has wit, style and an ability to involve readers and listeners unobtrusively, so that they take the ironies of the tale. A good find: splendid cover and pictures.
