Book

BfK Rating:

0

Dorothy Edwards knows just what appeals to the very young so her selection of short tales from the writing of others will be a godsend to anyone who shares stories with the under-fives. Very definitely a 'read aloud' though as the print is minute. This and **Story Time Two** (available in August) are taken from **The Read-me-another-story Book** (Methuen 1976).

Running Order:

49
