A full colour version of a story which was first published in the original **My Naughty Little Sister** book in the early fifties - and who better to illustrate this favourite tale than Shirley Hughes? **My Naughty Sister** is - inevitably - disobedient; she gets herself soaking wet on the fishing expedition and finishes the day with a hot drink in bed and, a little fish in her basket.

Just the thing for those who want to read about this irrepressible character but cannot yet cope with the collections of stories, and, for sharing with a small group.
