These excellent, colourful books feature character-packed Whiskers the Cat and Patch the Dog, and are crammed with learning through fun for 3-5 year olds at home or at nursery school. Colours, shapes and opposites are imaginatively explored through mini stories, puzzles, games, pictures to colour and things to make, like a crown with coloured 'jewels' or a tunnel and a bridge out of a cardboard tube to illustrate 'over' and 'under'. Everything is carefully geared to this age group. The tape with turn-over tone talks through the book. Excellent value.
