Oxford Reading Tree is Oxford's major reading programme for 5-7 year olds. It includes five stages of Storybooks and Sparrows, ten storybooks at Stages 3 and 4 providing extra reading practice for those who need a more gradual pace. They're lively, attractive and varied with titles like **New Trainers** (Stage 1) and **The Dolphin Pool** (Stage 3). The cassettes with their distinguished narrators provide extended versions of the 28 stories at Stages 2, 3, 4 and Sparrows. They help children link pictures and text as they listen with the turn-over tone. A cassette box with 14 cassettes with one story on each side, particularly useful in primary schools, is available at £29.50 + VAT. An excellent cassette and book programme.
