I Can't Find It! sees the return of the self-willed Kitty of **I Don't Want To!** Here, as well as losing a whole host of important possessions thanks to her self-imposed state of chaos, the young heroine learns an important lesson or two and, thanks to her highly individual logic, saves the situation when mum's car keys go missing. Eight well-observed, amusing stories, just right for reading aloud to those around Kitty's age (5) and for their slightly older brothers and sisters to enjoy for themselves.
