This is actually three stories, each of which was previously published in the 'Cartwheels' series. All feature young Benny whose schemes never quite go according to plan: the Hallowe'en party gets somewhat riotous, the school pet rabbit he takes home for half-term escapes, and the class cookery session proves rather eventful, but on each occasion Dad manages to take control and save the day. Easy-to-read, predictable fun for solo readers.

Running Order:

68
