0

The unwilling victim of Corsican Nationalists, Fleur is held for ransom in a remote farmhouse, where she gradually establishes a relationship with two of her captors, so there's a sense of loss mingled with the euphoria of release. The first half of the story makes a long-winded build-up to the climax of the kidnap, which is where the impact of the tale lies. Nevertheless, thriller lovers will probably stick with it.

Running Order:

36
