These two titles are a cheerful mixture of songs, games, stories and rhymes for 3-5 year-olds. The first has the serious aim of teaching the country code in an entertainingly produced story, and the songs like 'Five Little Froggies' and 'Old MacDonald' are lively and infectious. **Let's Go to Playschool** will encourage young children nervous about starting playgroup. James on the tape wasn't sure about the idea until he found what fun it was. There are action rhymes, guessing games and varied musical backings throughout.
