Amazing Mark is a reluctant hero. Scoular Anderson's illustrations and text launch him into an adventure which is guaranteed to have every solo reader enthralled and supported. Mark loved to listen to 'The Adventures of Mandy Marvel' on his walkman but when he found that she was speaking directly to him and asking *him* to embroil himself in foiling a crime and unravelling the mystery of the missing jewels, well . . . he discovers unknown talents.

Running Order:

55
